WALK-ON ICE:

Walk-on ice may be available depending on the number of skaters per session. To have your skater's name placed on the walk-on list, sign up on the monitor sheets at the rink. Walk-on ice fees must be paid to the monitor prior to getting on the ice. Please remember to send money with your skater if he/she is walking-on. If the skater does not have the money to pay the walk-on fees the skater will not be allowed on the ice. One ice session cannot be exchanged for another ice session at any give point.

Walk-on ice priority is as follows: SFSC members, SFSC Associate members, and Non-SFSC members.

CANCELLATIONS AND COUPONS:

Coupons are issued for cancelled contracted ice sessions. (Note: No coupons are issued for cancelled ice if using the unlimited option). It is the skater's responsibility to cancel ice sessions that the skater is not able to attend by notifying the ice monitor in person or by relaying a message to the monitor via a parent, another skater, or a coach. Such notification should be made as much in advance of the session as possible.

A maximum of six coupons per month per skater are issued for cancelled contracted ice sessions. A "no show" is not considered a cancellation. For the unlimited option, you are allowed no more than 2 days of "no show" per month. Any more than two will be billed to you at the walk-on rate. Coupons are issued at the end of the month and are valid for 90 days. Coupons may be used only for walk-on ice and, as such, are subject to ice availability. When a skater uses a coupon to walk-on an ice session, the monitor must record the date and the name of the session on the coupon. Coupons must be given to the monitor prior to getting on the ice. Coupons are not transferable, except within SFSC family memberships.

If a skater cannot skate their contracted ice, **it may not be sold**. If a skater cannot skate due to injury or serious illness, a doctor's excuse is required for a credit or refund. Doctor's excuses must be submitted to the billing agent within 30 days of the missed ice to be valid.
